**ITEMS FOR DECISION**

**Item 3/2021      Doctoral research fellowship in Educational Measurement  
(2021/1591)**

A vacant doctoral research fellowship in Educational Measurement was announced on 01.03.21. The last day for applications was to 31.05.21. An evaluation and recommendation committee evaluated and interviewed the qualified candidates for the positions as PhD candidate. Four candidates fulfilled the qualification requirements and were invited for an interview, which were all held on 07.06.21 and 08.06.21. Based on the interviews and evaluation, the committee found all four candidates qualified for the position.

The committee submitted their report on 15.06.20, with the following ranking of the candidates (attachment 2):

1. Yuriko Sosa
2. Nhu Thi Hong Truong
3. Tony Tan
4. Jesus Daniel Sanchez Ruiz

Det utdanningsvitenskapelige fakultet

The position was advertised with the possibility of a fellowship period of 3 or 4 years. For research fellows that are employed for a period of 4 years, the position entails a compulsory workload of 25%.

See Attachment 2 for Evaluation Report, Attachment 3, 4, 5 and 6 for CVs of candidates.

**Decision:**

The CEMO board agrees to recommend formally the following candidates to the vacant PhD position:

1. Yuriko Sosa
2. Nhu Thi Hong Truong
3. Tony Tan
4. Jesus Daniel Sanchez Ruiz

A fellowship period of 4-years with a compulsory workload of 25% will be evaluated for candidates ranked 1, 3 and 4. Candidate ranked 2 will be evaluated for a 3-year contract, as described in the evaluation report (attachment 2).

If Sosa does not accept the position, then the offer will go further to Truong and so forth.
