

Name	RAVEN'S EDUCATIONAL CPM/COLORED
Purpose:	Is a nonverbal test for the assessment of cognitive function in children and adolescents
Short description:	Raven's Colored Progressive Matrices, CPM, was published for the first time in 1947. After the revision, which was carried out in 1956, where the order of some tasks was changed, there have been no further changes to the tasks. CPM consists of a total of 36 tasks, all of which are in color. The tasks are divided into three different series with 12 tasks in each
