

## Curriculum vitae et studiorum: Luca Tateo

Dept. of Special Needs Education, University of Oslo

luca.tateo@isp.uio.no

**Luca Tateo is Professor in Theory, Epistemology and Methodology of Qualitative Research at the Department of Special Needs Education, University of Oslo, Norway.**

He is also affiliated professor at the Federal University of Bahia (from February 2018-to present), Brazil. He has been visiting associate professor at the Federal University of Bahia (February 2018- February 2022), Brazil. He has been associate professor in Epistemology and History of Cultural Psychology at Aalborg University (from April 2015-to December 2021). He has been associate professor in qualitative methods at the University of Oslo (from November 2019-to June 2021). He has been a member of the Centre for Cultural Psychology, directed by Jaan Valsiner at Aalborg University (from February 2013-to December 2021) and Honorary Associate Professor at School of Psychology, Faculty of Science, Sydney University, Australia (From November 2018- November 2021).

### **Main professional experiences**

He is coordinator of the International Master in Special Needs Education at the Institute of Special Needs Education, University of Oslo.

He is a member of the board of the Network of Excellence “Ideas for the Basic Education of the Future” on Innovative Learning, Teaching Environments and Practices, based at East China Normal University in Shanghai.

He is habilitated as Full professor in Social and Organizational Psychology (sector 11/E3-M-PSI 05) and as Associate Professor in Psychology of Development and Education (sector 11/E2) by the Italian Ministry of Education and Research (MIUR).

His current research interests cover the general areas of ecosystemic approach to psychology; environmental justice; social psychology; cultural psychology of education; art and affect; the study of imagination as higher psychological process; the affective logic and the aesthetic dimension of psychic life; the cultural mediation of grief; the epistemology, methodology and history of psychological

science; the epistemic injustice in multicultural contexts. He is the organizer of the biannual international school “The method of imagination”.

He is member of the research team of the CNPq funded project “Sob o signo da pobreza: dinâmicas psicossociais e educacionais de pessoas de camadas populares a partir da perspectiva da psicologia semiótico- cultural [Under the sign of poverty: psychosocial and educational dynamics of people in economically disadvantaged social groups in the perspective of cultural semiotic psychology]”, Federal University of Bahia, Brazil.

He is member of the Research Centre “The Culture of Grief”, funded by Obel Familie Fonden at Aalborg University, with the sub-project “Grief and affective logic”. He has been coordinator of Carlsberg Foundation research grant 2013, project “International workshop on Giambattista Vico and imagination in psychology” and of “Marie Curie Intra-European Fellowship 2013”, project “Epistemology in psychological science, the heritage of Giambattista Vico and the cultural psychology” and team coordinator in the project “LEAD Technology enhanced learning and problem solving discussions: Network learning environments in the classroom” FP7. Research and trainer in the project Re-N.E.T. “Revitalizing networks and new emphasis in transfer: preventing and facing early school leaving by sharing solutions and tools” and Researcher in the project “ELeGi - European Learning GRID Infrastructure”), FP6, Consortium on Methods and Systems for Learning and Knowledge”. Researcher in the project “Enhancing SCience Appeal in Learning through Argumentative inTEraction (ESCALATE)”.

He is co-editor in chief of the Journal “Human Arenas. An Interdisciplinary Journal of Psychology, Culture, and Meaning”, Springer, and he is editor in Chief of the book series “Innovations in Qualitative Research”, Information Age Publishing, USA. He is associate editor of the journal Trends in Psychology, Springer; associate editor of the journal Estudos de Psicologia (Campinas); and associate editor for the psychology section of the journal SN Social Sciences, Springer.

He has been research assistant (Assegnista di ricerca) at the Department of Education Sciences on the LEAD Project, University of Salerno, Italy, from 02-05-2006 to 01-12-2008.

He has been research assistant (Assegnista di ricerca) at the Faculty of Political Sciences, Department of Economy, Institutions and Society, University of Sassari, Italy, from 15-01-2009 to 14-01-2011

He has a substantial track of publications (see detailed list) in peer-reviewed journals, edited books and book chapters.

He speaks Italian (mother tongue); English, French, Spanish, Portuguese (fluently); Norwegian and Danish (basic).

## **Education**

- Doctorate in Psychology of communication: cognitive, emotional and linguistic processes, University of Bari (Italy) – 2005. Dissertation title: The extreme right groups on the Internet a psychosocial approach
- Degree cum laude in Communication Sciences, University of Salerno (Italy) – 1996. Dissertation title: The colored lens. Levels of analysis of the social representation of immigration in a talk show

- International member of the research group DIPEM - Diálogos Intercontextuais: Psicologia Cultural, Educação e Educação Musical, Instituto Federal de Pernambuco, Brazil.
- Honorary Associate Professor at School of Psychology, Faculty of Science, Sidney University, Australia.
- International member of the research group Núcleo de Pesquisa em Aprendizagem em Ciências (NUPAC) at Federal University of Pernambuco, Brazil.
- International member of the research group Processos de Constituição do Sujeito em práticas educativas, at Pontifícia Universidade Católica de Campinas, Brazil.
- International member of the research group Estudos e Pesquisa em Ciência, Tecnologia e Sociedade at Federal Institute of Bahia, Brazil.
- From February 2020 to December 2021, Co-Chair of the Subgroup research, Division 52 COVID-19 Task force, American Psychological Association.

## Teaching and supervision and Administrative tasks

*What students say: “I chose Luca Tateo for his ability to inspire and challenge me repeatedly throughout his lectures, supervision and examination. His foundation of knowledge makes him a challenging opponent in discussions while he at same time creates a safe environment where nothing stupid can be said both in lectures, seminars or examination. There is room for new discussions instead of pointing out errors” (5<sup>th</sup> semester student in Psychology, Aalborg University).*

- Since Fall 2020, he is coordinator of the International Master in Special Needs Education at the Institute of Special Needs Education, University of Oslo.
- He is a member of the board of the International Summer School (ISS), University of Oslo in the period 2021-2023.
- He has been a member of the study board of the International Ph.D. Programme in Cultural Psychology and Social Practices at the Dept. of Communication and Psychology, Aalborg University, 2013-2019.

### *Graduate level*

Luca Tateo is supervisor of the following PhD candidates

- Marte Oppedal Vale, project “The Politics of Disability Identity”, Department of Special Need Education, University of Oslo.
- Jamile Leidiane dos Santos César, project “Identificação e identidade adolescente em contexto de vulnerabilidade social”, post-graduate program in Psychology, Federal University of Bahia
- Cleidiane Mauricio Dos Santos, project “Epistemic Injustice in Education” doctoral program in Philosophy, History and Science Education, Federal University of Bahia
- Andreza Maia Silva Barbosa, project “Síndrome De Alienação Parental: Uma Perspectiva De Quem Vivenciou Este Processo” doctoral program in Psychology, Federal University of Bahia
- Co-supervisor of the Phd candidate Eva-Mari Andersen, project “Narratives of young cancer survivors”, Department of Special Need Education, University of Oslo.
- Co-supervisor of the Phd candidate Márcio Nunes de Abreu, project “Nos Olhos de quem Vê: Produção de Sentidos Raciais por Cegos Congênitos na Cidade de Salvador [Racial meaning construction for people with blindness]”, doctoral program in Psychology, Federal University of Bahia

- Co-supervisor of the Phd candidate Victor Montalvão Moreno, project (concluded 2023) “Imagining an Ideal Ideal: Identity of Science Teacher”, with professor Charbel El-Hani, doctoral program in Philosophy, History and Science Education, Federal University of Bahia, Brazil.
- Shuangshuang Xu (concluded 2022), thesis “The Drama of Development in Intervention. An Investigation from the Perspective of Cultural Psychology of Semiotic Mediation”, Programme in Cultural Psychology and Social Practices, Aalborg University.

He is also supervisor of the following post-graduate (Maestrado) students:

- Alisson Araujo Argolo, project “Representações Sociais da Masculinidade” in the post-graduate program in Psychology, Federal University of Bahia
- Jamile Leidiane dos Santos César (Concluded 2022), project “O Consumismo No Laço Social Entre Adolescentes Das Classes D e E de Salvador”, post-graduate program in Psychology, Federal University of Bahia
- Daiane Menezes Damacena (Concluded 2021), project “Relações epistemologias e filosóficas: Aproximações e distanciamentos da abordagem CTS no âmbito nacional e internacional”, in the post-graduate program in Philosophy, History and Science Education, Federal University of Bahia, thesis successfully defended October 2020.

He teaches “International Academic writing”, “Knowledge and imagination” and “Multimodal qualitative methods” courses at PhD school UFBA. He teaches seminars and mini-courses (c.ca 20 hours and supervision) on methodology, history and epistemology of psychology at PhD schools (at UFBA-Salvador, PUC-Campinas, DAMU-Prague, University of Bari, AAU-Aalborg, USP-Sao Paulo)

#### *Undergraduate level*

He teaches in the Special Education Needs MA and BA programs and in the Cultural Psychology, Psychology of Education and Communication BAC and MA programs, with a teaching load of 409 hours *per semester*.

He also have about 200 hours in teaching several professional development courses for school teachers, about 300 hours of teaching in orientation, guidance and computer supported learning in vocational guidance courses and about 50 hours of teaching in master courses. He teaches the following subjects at the University of of Oslo:

SPED1200 - Special Needs Education research methods and Research based practice, BA (10ECTS)

SNE4231- Research Methodology, MA, coordinator (10ECTS)

SNE4200- Education for Learners with Special Needs, MA (10ECTS)

SNE4130- Historical and Sociocultural Perspectives on Learning and Development, MA, coordinator (10ECTS)

SNE4390-Degree Thesis, MA, coordinator (40ECTS)

SPED4010- Philosophy of Science, Research Method, and Statistics, MA (10ECTS)

SPED3002- Bachelor Thesis, BA (15ECTS)

SPED4090- Master's Degree Thesis, MA (40ECTS)

At Aalborg University, he has been teaching the following courses from 2014 to 2019:

- Psychology of Education, BA
- Cultural Psychology, MA
- Imagination in psychology, BA
- Qualitative Methods, BA, MA and PhD school
- Project module: Personality, social psychology and epistemology
- Refugees lives, BA and MA
- Social Psychology, BA and MA

His teaching approach combines in-depth theoretical knowledge with experience and problem based collaborative learning, to foster student's reflection and appropriation of both concepts and methods in psychology. He uses ICTs to enhance learning experience and face to face activities. He especially brings research into teaching, by involving students in real research projects and transferring methods and tools designed in research to the classroom.

### **Editorial roles**

- Co-editor in chief of the journal *Human Arenas. An Interdisciplinary Journal of Psychology, Culture, and Meaning*, Springer
- Editor in Chief of the book series "Innovations in Qualitative Research", Information Age Publishing, USA.
- Associate editor of the journal *Trends in Psychology*, Springer.

- Associate editor for psychology of the OA journal *SN Social Sciences*, Springer.
- Associate editor of the journal *Estudos de Psicologia/Psychological studies. Campinas*.
- Member of the editorial board of the journal *Culture & Psychology*.
- Member of the editorial board for section 'Education and Psychology' of the journal *Infant and Child Development*.
- Member of the editorial board for section 'Education and Psychology' of the journal *Education Sciences*.
- Member of the editorial board of the journal *Revista Iberoamericana de Criatividade e Inovação (RECRIAI)*.
- Member of the scientific board of the journals “Interacções”, “Online International Journal of Arts and Humanities” and “QWERTY. Interdisciplinary journal of technology, culture and education”;
- Member of the scientific board of the book series “Conoscenza, formazione, tecnologie”, Franco Angeli Publisher.

### **Memberships and boards involvement**

- Member of the Groups of evaluation experts (GEV) in the Italian Evaluation of Research Quality 2015-2019 (VQR), Area 11b: psychological sciences;
- Member of American Psychological Association: Division 7 Developmental Psychology; Division 52, International Psychology; Division 34 Society for Environmental, Population and Conservation Psychology.
- Co-chair of the Webinar Committee, Div 52, APA.
- Co-chair of the International Environmental Justice Committee, Div 52, APA.
- Member of the Board of the Marie Curie Alumni Association, 2016-2020, Danish Chapter.
- Member of the scientific committee of the 16th World Conference on Mobile and Contextual Learning (MLearn), 30/10/2017-01/11/2017, Larnaca, Cyprus;
- Evaluator of international research projects of Russian, Romanian and Serbian Government for the International Bureau of the Federal Ministry of Education and Research at the Project Management Agency (Germany); UNA4CAREER postdoctoral program at the Complutense University of Madrid; and for the PRIN action in Italy.

- Member of the Organizing Committee of III Congress of the International Society for Cultural and Activity Research (ISCAR), Rome, 2011.
- Member of the International Society for Dialogical Science (ISDS);
- Member of the International Society for Cultural and Activity Research (ISCAR)
- Member of the International Society for Theoretical Psychology (ISTP).
- Member of the juries of MEDEA Awards and IADIS International *Conference on Mobile Learning Scientific Committee*.
